

Regent Series

Stylish Durability You Can Bank On

Schlage Regent Series interior and exterior door furniture has earned its reputation for stylish durability and easy installation. Schlage Regent is a popular and contemporary, cost-effective door hardware solution designed for New Zealand homes. The new Schlage Boston with its bold, clean lines and unique square rose design adds an even stronger dimension in aesthetics. Together with generous warranties for finish and mechanical operation, Regent reflects the Schlage promise of trusted quality.

Quality is always a smart buy

Regent embodies economical security without compromising design. As with any Schlage product, the entrance handlesets, knob, levers and deadbolts presented here complement the wide range of Schlage door furniture. You can be assured of durability, styling and a quality finish backed by an extensive warranty. Schlage sets the benchmark in residential security solutions. For 85 years Schlage has been creating peace-of-mind for home owners around the world. More people trust Schlage because our products are in-touch with the way they live today and into the future.
